Project Game Time
Team: GameTime

Faraz Ahmad, Damon An, Marissa Gonzales
Joshua Jackson, Ryan Phung

What….Who….Why….

What: M2Game Time Android Application

Who: M2Catalyst, LLC

Why: To provide an interactive and fun way to compare the act of playing mobile games.

Two Week Breakdown

LOOSELY

- Defined Requirements
- Established Platform
- Defined Features for Application
- Drawn up rough UI Designs

Difficulties Along the Way

- Stakeholders withholding data
- Stakeholders not having defined needs
- Impossible Deadlines

Two Weeks into the Future

ROUGHLY

- Develop Mockups of UI Design
- Finalize UI Design
- Begin implementing key features into UI Build
- MAYBE GET OUR HANDS ON THE SDK :)
